Homework

The children will have numeracy and literacy homework each week as well as spelling to support their learning. It will be handed out every **Thursday** and must be returned every **Monday**. Spelling test takes place every **Friday**. Please remember to read with your child daily and please you're your child's reading diary. Please make time to practice **Times tables** too. Please talk to your child's class teacher who will know which time table your child needs to learn.

PE

It is important that children participate in PE each week. Our kit is specifically designed to be of low cost and can be bought from general high street shops or our school office. The kit consists of a plain white t-shirt, plain green shorts or jogging bottoms and suitable trainers or plimsolls.

Our PE days are:

Sparrow: Thursday

Kingfisher: Thursday

IMPORTANT EVENTS:

Thursday 13th September 2018: Meet the Teacher

Wednesday 26th September 2018: Bring a Significant Male to School Day

Week beginning Monday 8th October 2018: World Week & Democracy Day

Wednesday 10th October 2018: International Evening

Week beginning Monday 22nd October: Half term holiday

Southwold Primary School

Year Three

Autumn term 1

Curriculum letter

Dear Parents and carers,

Welcome to this new term at Southwold Primary School! We hope you all had a restful summer holiday and are as excited as we are about the year ahead.

In Year 3, Sparrow class is taught by Ms Ridout and Kingfisher class is taught by Ms Silva. We are very excited about joining Year 3 and are looking forward to lots of new and exciting learning opportunities for the children.

We believe communication between school and home is important to children's learning. Please feel free to talk to us about your child's progress or any concerns you may have. Information about what your child will learn this half term is on the inside of this booklet.

Year 3 team

Ms Silva (Kingfisher Class)

Ms Ridout (Sparrow Class)

Stone Age

Literacy

Reports, narrative and poetry.

In Literacy we will be writing a recount on the Stone Age. We will travel back in time to discover and explore what life was like. We will then move onto exploring and writing traditional tales.

Numeracy

Place value, addition, subtraction,

In Numeracy we will be securing our addition, subtraction skills moving into different methods. We will also consolidate our knowledge on place value.

Science

Rocks

In Science we will be learning to compare, describe and sort rocks.

We will also be conducting our own investigation to find out different properties of rocks.

ICT:

Computer Science

Logo

RE: How do different religions teach us about trust and humility?

Physical development

Games

In **P.E**. we will be developing skills through games, learning how to follow rules, how to move safety and being part of a team.

Humanities

Stone Age

In Humanities we will be exploring Stone Age artefacts, diet and comparing life in Stone Age to life today.

We will also learn how to place events on a time line.

Arts

Cave drawings

In Art, we will explore Stone Age cave drawings.

We will be using natural materials like charcoal, chalk and natural pigments.
