

Dates for your diary

Parent Reading is every Friday morning from 8:55am to 9:15am. Please come along and share a story with your child!

8th November- Blue Day

PE

AM and FT children – Tuesdays

PM and FT children – Wednesday

Please ensure your child has the correct PE kit in school on their timetabled PE days. It is advised your child keeps their kit in school throughout the week in case of any timetable changes. Children must have a full PE kit (a white t-shirt, green or black shorts and plimsolls) to ensure personal hygiene and safety.

Nursery Autumn 2 Curriculum Newsletter

Dear Parents and Carers,

Welcome back to the second half of the autumn term at Southwold Primary School. We are pleased to welcome back everyone and wish everyone a great second half of the autumn term. Children have been busy this half term learning about the topic 'Our World.' Children also learned about the season of autumn.

Please remember to continue to support your children by ensuring they have their book bags daily.

Please continue to support your child's learning by practicing both reading and counting. There are always lots of opportunities at home and in the outside environment.

Should you have any concerns or wish to discuss your child's progress, please feel free to speak to us. We are available to talk after school on most days.

Information about what your child will learn this half term is on the inside of this booklet.

We look forward to continue working with you and your child.

Our topic this half term is 'Let's Celebrate'

Communication and Language

We will be learning to listen to stories and other children when they are talking.
We will be learning to understand simple instructions.
We will be learning to use simple sentences when talking.
We will be learning to ask questions.

Understanding the World

We will be exploring different objects by looking, tasting, touching and smelling.
We will be talking about our friends and families.
We will explore our environment and ask questions about things that interest us.
We will be using the CD player Bee-Bots and iPads.

Literacy

We will enjoy a range of stories and picture books.
We will retell stories using props and puppets.
We will be singing and adding actions and musical instruments to nursery rhymes and songs.
We will talk about our writing.
We will learn about alliteration from our story books.

Physical Development

We will be using a range of equipment to make marks.
We will practise holding our pencil with a tripod grip.
We will be thinking about and practising different ways to move.
We will be talking about ways we can keep our bodies healthy and why it is important to exercise.
We will practise getting ourselves dressed, putting on our coats and taking our shoes and socks off for PE.

Expressive Art and Design

We will be experimenting different ways of painting and drawing.
We will be learning new songs and rhymes and exploring movement.
We will be dancing and joining in with ring games.
We will be learning instrument names and how to play them.

Mathematics

We will be learning to sing number rhymes.
We will be reciting and ordering numbers in order to 10.
We will be counting objects.
We will be using the language of size such as 'big and small.'
We will be naming identifying shapes in our environment.

Personal, Social and Emotional Development

We will be making our own choices during play.
We will be making friends with the other children.
We will be playing alongside other children.
We can talk about our feelings and how other children may be feeling.
