| 1 | Learning walk of school environment | <ul style="list-style-type: none"> Really liked the inspiration stations – Eagle and Hawk. Book corners were inviting – Owl and Swan Really liked the displays in classrooms, very engaging, good vocabulary on the board to help children, some were 3D. But some looked a little bare. Nice to see holiday homework The classes we went into the children were calm at their tables or on the carpet. Liked the activities on the tables in Reception and Nursery Some peg areas need tidying up Make sure the ipad/laptop trolleys are locked when not in use | <p>Children to feedback to their own class teacher about what they saw.</p> <p>What things were good, and what could be improved.</p> |
