Dear Parents and Carers,

A big thank you to the whole school community for the support, understanding and resilience shown as we have again adapted our learning model to take account of a partial school closure. While a small number of pupils continue to access onsite provision, the majority of the school are learning from home. We understand the challenges in managing learning at home and our structure is designed to ensure pupils can consolidate and reinforce their knowledge and skills through website learning tasks and Google Classroom in Key Stage 2. The telephone calls with the class teacher are designed to support an opportunity to ask questions or discuss top tips for making home schooling the best it can be and we hope you are finding these as useful as the teachers are.

You should have now had the opportunity to collect a resource pack from the school to support your child in recording their learning and offered an opportunity to visit the school library to change home reading books. Appointments can be made by calling the school office if you need additional resources for working at home or need to make a further change to reading books across the coming weeks. Don't forget that the school office can also print paper packs of the weekly home learning tasks for you!

The website continues to be our main communication at this time. Clicking the 'school closure' link on the home page will take you straight to the most up to date information and this can be viewed on a mobile phone, tablet or PC. The school will continue to ensure text message 'quick links' are sent to highlight when new content has been added

Our recent parent survey analysis has now been completed and we received 104 responses in total. The outcomes have shown the majority of parents are very pleased with our school provision. Some of the highlights from the survey include:

- 99% of parents think the school provides a good education
- 99% would recommend the school to another parent
- 99% of parents report their child feels safe in school
- 98% feel the COVID context was handled well by the school

Thank you for your continued support.

EYFS ROLE-PLAY

The topic in Early Years this half term is 'Transport'. The children in the Nursery/Reception learning bubble have enjoyed role-playing going on a train journey. Although it's harder to go on public transport at the moment, could you use chairs and old cardboard boxes to make your own role-play train or bus at home?

BUILDING BRIDGES

The children in the Year 5 and 6 learning bubble were using their bodies to build bridges this week. The children had to create a sequence of 3 bridges, holding each bridge for 10 seconds. The lesson finished with a plank competition with Sa'Kai winning. Could you use your body to make bridge shapes at home or do the plank?

VIRTUAL PIANO

The children in the Year 3 and 4 learning bubble have been learning to play different rhythms. They have been playing the virtual piano during their music lessons and have been learning to play the first part of 'Mardi Gras Groovin'. Remember to check out the online music lessons on the home-learning part of the website!

**TIMETABLES ARE AVAILABLE ON THE SCHOOL WEBSITE TO HELP STRUCTURE THE DAY
KEEPING THE SAME ROUTINE WILL HELP STAY ON TOP OF HOME LEARNING!**

HOME LEARNING

Thank you to all our families who have taken the time to share photos of their children learning at home. If you have any home learning you would like to share please send to: southwoldhomelearning@vs.hackney.sch.uk

HOME READING

As with the partial school closures last year, we have set up a home-reading library in the parent room. You can come and change home-reading books at any time during the school day from Monday to Friday. For

children in Early Years and Key Stage 1 we also have phonics readers which link to the phonics work set on the home-learning website. Please remember to complete the signing in and out sheet!

COFFEE MORNINGS AND DROP INS

Coffee Morning sessions will be every 2 weeks in the Spring Term, with Nursery and Reception holding specific Coffee Morning sessions twice a half term. All sessions will be video presentations that will be shared on the school website. A text alert with a link will be sent so that you can easily access the session!

Date	Focus
Friday 5 th February	Writing: Find out how you can encourage your child to write creatively
Friday 26 th February	Maths: What is fluency, reasoning and problem solving?
Friday 12 th March	Speech and Language: Using stories to develop vocabulary
Friday 26 th March	Homework: Strategies to support your child's homework routine

Parent Drop In sessions are held every second Friday. Although we will not be able to meet in groups, we will be able to offer you an opportunity to meet with a member of the inclusion team to answer any questions you may have or sign post you to any community resources or services that might be helpful to you. Please call the school office to book an appointment.

TOP TIPS FOR HOME LEARNING

Remote education ensures continuous learning outside the classroom. For parents and carers, remote education isn't always straightforward and there can be a number of things to consider in order for this to be successful. Our teachers have identified their top tips for home learning!

- Establish routines and expectations by following the learning timetable
- Establish times for physical activity, quiet and reflection each day at set times
- Choose a good place to learn in the home that is quiet and without distraction.
- Keep in touch with teachers through the weekly calls
- Help pupils 'own' their learning by asking questions and encouraging a 'have a go' attitude
