HIGHLIGHTS

Friday 26th March 2021

In this issue: Welcome/Year 3 Science/Charity Work/EYFS Role-Play/Year 4 Mini-beast Hunt/ABQM Pupil Meeting/Coffee Mornings/Attendance/Key Dates

Dear Parents and Carers,

A big thank you to all parents who are supporting children to arrive at school on time each morning. This has a positive impact on confidence, engagement in learning and progress. Top tips shared by parents to help children take responsibility for good time keeping include getting your child their own alarm clock, having a morning timetable and preparing things needed for the next day the night before.

On the back of this newsletter we have given the dates and themes of Summer Term coffee morning sessions for parents. We have again chosen themes based both on your feedback and those that will support when helping learning from home. These sessions will continue to be shared with you weekly via text message link.

Our parent comment box is located in the main office and we welcome suggestions and ideas from our school community. If there is something you would like us to consider, please fill in the parent comment slip and post it in the box!

We are keen that all children have the opportunity to take part in weekly PE lessons and are also wearing the correct uniform for this. We have deliberately chosen a cheap and easy option for this with plain black shorts or jogging bottoms (no logos please) and a plain white t shirt. If you are not sure which day is the PE day please check the year group newsletters on the website or ask the class teacher.

Spring Term ends on **Thursday 1st April (EYFS 1:50pm, KS1 1:55pm, KS2 2:00pm)**. We will be setting holiday homework projects including research projects for the topics classes will be studying in the first half of the summer term. Please encourage children to explore the themes they will be learning about and, of course, continue to encourage them to read, write and count everyday. When children are using the internet, either through phones, games or on a computer or tablet please make sure that you monitor and observe that this is being done safely. Whilst the internet is a wonderful resource it also holds risks to children. There are some very useful resources for parents about how to protect children from online dangers at www.thinkuknow.co.uk.

Enjoy a safe and happy Easter break.

Mr Stephen O'Brien
Headteacher

Ms Rachel Davie
Executive Headteacher

YEAR 3 SCIENCE

This half term Year 3 are learning about magnets. The children used magnets to test if different materials in their classroom were magnetic or not. The children found that magnets attract (or pull) objects which contain iron such as paper clips, scissors and nails. They do not attract paper as it does not contain iron.

CHARITY WORK

Last Friday children dressed up as super heroes or in red to raise money for Comic Relief. We had a fantastic turn out from children and staff and managed to raise a fabulous £248! Comic Relief is a British charity which was set up in 1985 with the mission of ending poverty in the UK and around the world.

EYFS ROLE-PLAY

This half term EYFS are reading a variety of traditional tales. The adults in Reception have turned their role play area into a cottage so that the children can pretend to be Goldilocks and the three bears. It looks like the children have enjoyed taking on the roles of different characters from traditional tales!

SPRING TERM ENDS ON THURSDAY 1ST APRIL 2021
SUMMER TERM BEGINS ON MONDAY 19TH APRIL 2021 (STAGGERED START TIMES WILL CONTINUE)

YEAR 4 MINI-BEAST HUNT

This half term Year 4 are learning about animals and their habitats within Science. The children made predictions about where they thought they would find the most mini-beasts around the school environment. Before going on a hunt they discussed the different features that a mini-beast's habitat might have as this would influence their predictions.

ABQM PUPIL MEETING

Last week our Anti-Bullying Quality Mark (ABQM) pupil group met. The group is made up of representatives from a cross section of pupil voice groups including school councillors and digital leaders. The children reflected on recent events such as 'Safer Internet Day' and 'Children's Mental Health Week', discussing what went well and what would have made them even better.

COFFEE MORNINGS

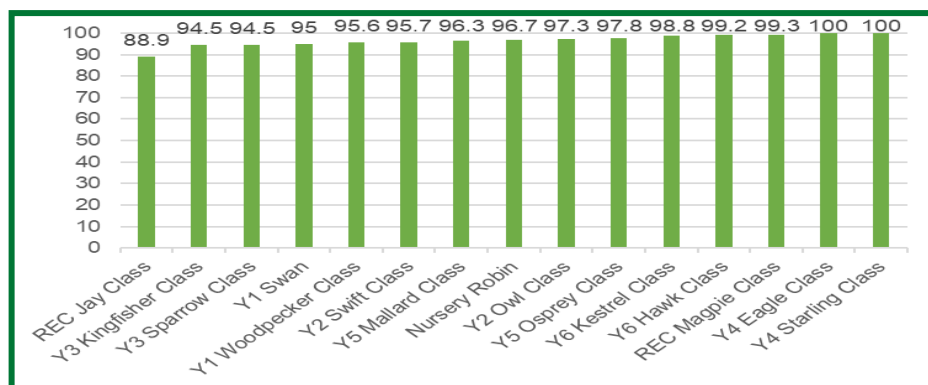

We have a range of coffee morning themes planned across the Summer Term and these will be available via video link. We hope that you will find these a useful connection to learning until we are able to meet again face to face.

Date	Focus
Friday 23 rd April	PSHCE: Celebrating diversity through our PSHCE curriculum
Friday 7 th May	Literacy: Strategies to help your child learn and apply their spellings including handwriting
Friday 21 st May	ICT: How to support your child with home learning using Google Classroom
Friday 11 th June	Reading: How to support your child to develop their comprehension skills
Friday 25 th June	Keeping Healthy: Find out how to provide a well-balanced diet at home and for packed lunches
Friday 9 th July	Maths: Strategies to support your child with their timestables
Friday 23 rd July	Summer Holiday activities: Things to do at home and in the local area to prepare your child for the new school year

ATTENDANCE

Coming to school everyday and on time makes a real difference to progress in learning. Whole school attendance for last week was **96%**

Well done to Eagle and Starling Classes the weekly winners with **100%**
