

Eco Team Minutes 2020-21

Date: 14.05.2021

Present: Only KS2

Year 4	Year 5	Year 6
Alyssia Demar'che Aamina Merdan	Jason Romell Blessin Omar	Fatima Xylo Jorge

Absences:

Apologies from:	Reason for Absence	Follow up needed?

Agenda

Item	Discussion	Action
1 Earth Day	Share with teachers the memo for Earth day Make sure all core texts are in school and given to class teachers Ensure all year groups have resources needed for Earth day (for example: cereal boxes and plastic materials to create mini bugs house)	Each year group to carry out the suggested activity Collect evidence and present it in the special book
2 Eco school assembly	Children from the Green team will deliver a whole school assembly in order to inform what it is, share some facts and share tips about what can be done in order to protect our planet.	Eco school lead to create PPT Eco team to present it during Earth day assembly
3 Environmental review	We discussed the environmental review, what the school is doing well and what we need to improve on.	To inform the school the score from the environmental review and share with parents through the website
4 Action plan	We decided on the next 3 projects we are going to develop as a green team and how we can track their progress over time.	Present the action plan to the school through the website
5 Recycling	We discussed how effective we are recycling as a school. Children agreed that all children know the location and use of the recycling bin.	Ensure we are all recycling efficiently by doing periodic checks. w
Next agenda	Carry out action plan projects and monitor them
