Apologies from:	Reason for Absence	Follow up needed?
Year 2		

Agenda

	Item	Discussion	Action
1	Presentation	We introduced each other and explained why we wanted to be part of the Eco-Schools We took a picture of all of us to be shared on the website and Eco board What needs to be displayed in the Eco-board?	Ensure all children are aware about their role as Green team ambassadors.
2	Recycling	We held a discussion about the importance of recycling and what needs to be done to ensure we are recycling effectively	Check all classrooms and spaces have a recycling bin and ensure all children know how to use them (only paper and dry plastic)
3	Saving energy	Importance of saving energy – What needs to be done in our school?	Find out where the school's meter reading is and track it over time Deliver messages to teachers and other children to raise awareness regarding turning lights off when not in use and turning monitors off at the end of the day.
4	Earth Day	<ul style="list-style-type: none"> - We shared a presentation about Earth Day and discussed how it is celebrated. - We talked about celebrating Earth Day as a school and what activities each year group can do. 	Prepare activities for each year group regarding Earth Day.
	AOB		
	Next agenda	<ul style="list-style-type: none"> - Create posters about recycling and deliver them to all classrooms - All schools to feedback on which points from their action plan have been or are currently being addressed
