**Jumpy\_frog100**

Sorry I've got to go now, see you tomorrow in school

**Space\*Kangaroo**

Come on... can you not stay until the end of the game?!?!

**Jumpy\_frog100**

I can't

**Space\*Kangaroo**

You know we're going to lose if you go now 😡

**Don't send**

Not everyone is available all the time. It's not okay to put pressure on someone or make them feel guilty if they need to leave a game.

**Skylab99**

Please trade with me, you know how much I want it

**Fly2mars**

You've already asked me 3 times, I don't want to!

**Skylab99**

Ok, if you change your mind let me know

It can be fun to trade things with other people, but remember not everyone wants to trade all the time and it's okay to say no. **Skylab99** has done the right thing here by accepting their decision.

**Don't send**

Remember that the age ratings on games are there to help you and your families decide whether you're ready to play them yet.

Someone you live with might give you permission to play on a game, but that doesn't mean everyone else is allowed to or even feels comfortable with the game. It's important to respect other peoples' decisions.

**Lightening-duck2**

Good game! We always win when we are on a team together 😄

**Lightening-duck2**

What school did you say you went to again?

**Blazing\_fox**

I go to Park Heights Junior School in Nottingham

It's important to keep personal information safe online. Even if you have been playing a game with someone for a long time, if you don't know them offline they are still a stranger.

Always tell an adult if a player online asks for your personal information or to meet up.

Why don't you leave the game

Pioneer10

Yeh, you usually quit anyway 😏

Sorry we were only joking and didn't mean to upset you 😞

Sometimes what starts as a joke can still really hurt and upset someone. It's important to think about other people's feelings. If someone asks you to stop or you think they are upset it's important to listen and take time to say sorry.

**Don't send**

It wasn't nice or respectful of the other players to treat **Day\_dream\_queen** like that. But even if someone has been unkind, or you're feeling angry and upset, it's never the right choice to retaliate by sending a mean message back.

**GAME ON!**

**Great job**

**Time to talk**

**What does being respectful  
online look like?**

# Being respectful online means:

Including people when they want to be included

Listening to other people

Being kind and supportive

Understanding that someone might not want the same things as you

Thinking about how your words and actions make other people feel

Not putting pressure on someone and accepting their boundaries

# If someone is being disrespectful you can...

Tell them how you feel or ask them to stop politely  
but if that doesn't work...

screenshot
