### Dear Parents and Carers,

We hope that you have been able to book an appointment to meet your child's class teacher and look at books at our parents' evening which is due to take place on Thursday 8th December. Sharing learning outcomes with children gives them a chance to feel proud of what they do in school and know that you value learning as much as they do. You can book an appointment online or through the school office.

Now that it is getting dark much earlier in the evening, please make sure that you have made arrangements to pick up your child on time if they attend an after school curriculum club or our after school care club. If your child is in Year 5 or 6 and you have given permission for them to walk home on their own, make sure that they know you are expecting them to walk straight home by the safest and most direct route, crossing the roads with care. Lots of jackets and bags have reflective strips and this will give some extra help and safety when negotiating the Hackney traffic. We are delighted that so many children arrive at school on scooters and bikes as this is an excellent way to get daily exercise. Our scooter and bike racks get full very quickly. Please help your child to show consideration to others by storing these safely and with care.

We have a number of end of term concerts and events approaching including sing-a-longs and for our Early Years children a traditional play. The dates for all seasonal events are displayed on gates, are on the school website and were sent home on the parent dates flier at the start of the half term. We had a high demand for pantomime tickets for Years 3 to 6 at the Hackney Empire and Reception, Year 1 and Year 2 are being visited by a professional pantomime theatre company in December so that they do not miss out. Christmas Jumper and Christmas Dinner day will be taking place on the 9th December. Despite all the events, we will be ensuring children receive their full learning entitlement through until the end of term on the 16th December.

### Autumnal Changes

Reception really enjoyed their first trip out of school. They went on a local walk to Millfields Park to look at how the autumn season has impacted nature. They observed how the colours of leaves have changed and enjoyed collecting some natural autumnal treasures, including bright-coloured leaves.

### Division and Dinner Parties

In Maths, Year 2 have been learning about division by pretending to be dinner party hosts. Using their new learned knowledge of division principles they have been able to equally share the food for their guests. They have done so by counting and dividing cubes which represent the food onto plates.

### Teeth Workshop

On Tuesday, Year 4 took part in a very exciting teeth workshop where they had the chance to make their own teeth moulds. They explored different parts of human and animal teeth and discussed the similarities and differences between them. They loved the challenge of working with new material and discovering how they could make an accurate model of teeth.

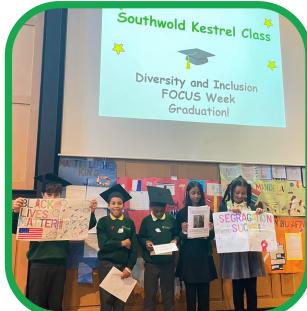

## Green Team Litter Picking

Southwold's Green Team took part in a litter pick in the local area. Despite not getting far, they were able to fill two bags of rubbish. Litter found included crisp packets and sweet wrappers. The Green Team want to remind everyone to make sure they put their rubbish in the bin, ensuring our environment is kept clean.

## Graduating from IntoUniversity

Our second Year 6 group enjoyed a week long experience with IntoUniversity. They participated in a workshop led by the Red Cross, learnt about asylum seekers and refugees, researched different degrees and universities, and then visited Cambridge University to present all of their hard work. They successfully completed the workshop with a graduation ceremony.

## Coffee Mornings

Parents/Carers are invited to drop into our sessions on various themes which are held in the Raven Room at 9:15am on a Friday morning. These are an opportunity to meet with other parents as well as learn more about what the school does and get some practical tips on how to support your child with their learning from home.

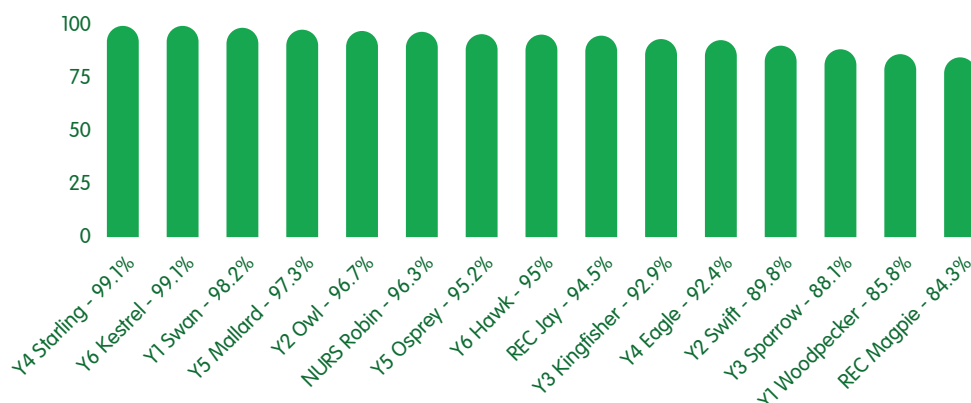

Date	Focus
Friday 9th December	Christmas Holiday Activities: What activities can we try in the holidays and what local places can we visit? (children can attend this coffee morning)
Friday 16th December	Parent Reading Celebration Event for EYFS, Year 1 and Year 2

## Attendance

As a school we take punctuality very seriously and we are proud that our children are at school and in their class lines at 8.55am. This means children have a settled and uninterrupted transition into the school, and teachers are able to ensure the day starts promptly. Thank you for your continued support!

**Whole school attendance for last week was 93.4%.**

**Well done to Year 4 Starling and Year 6 Kestrel classes, the weekly winners with 99.1%.**
