Headteacher's Letter
School Start Time
Firefighting with EYFS
Architects Visit with Year 2
Picasso's 'Blue Period' with Year 6
Learning and Creating Algorithms with Year 1
Enterprise Award Winners
Coffee Mornings
Attendance
Key Dates

Dear Parents and Carers,

We have lots of exciting news and events to share with you from the last two weeks. Although reading, writing and counting will always be a central part of what we teach we are also keen that our pupils receive a wide and rich curriculum which inspires learning in other areas and teaches other life skills too.

Children's Mental Health Week has been celebrated this week. The theme this year was 'Express Yourself'. Children have learned that expressing yourself means telling and showing others what you feel, and have understood the importance of noticing and naming feelings in order to process emotions. A special day this week was Safer Internet Day. It is celebrated globally each year to promote the safe and positive use of digital technology for children and young people, and to inspire a national conversation about using technology responsibly, respectfully, critically, and creatively. Our digital leaders led assemblies and a discussion session took place in the classroom facilitated by teachers. Keep a look out on the school website for some top tips for staying safe online created by children across our Federation of schools!

We have been horrified by the news of the devastating earthquakes taking place early this week in Turkey and Syria. Our thoughts are with all those affected. Hackney is home to one of the largest Turkish and Kurdish populations in the country. We know that this awful event will have an impact on our school community, especially on those that have relatives or friends directly affected by the earthquakes. We will be raising money for the earthquake appeal fund and if you need further support, our learning mentor can be contacted via the school office.

If you have moved or changed your telephone number recently please make sure you have let the school office know. It is essential that we can contact you quickly in case of an emergency. A contact number and email for our office are on the back of this newsletter.

The first half of the Spring term seems to have gone by very quickly, the school closes for the half-term break today, Friday 10th February. The school re-opens for children on Monday 20th February at 8:55 am.

Thank you for all of your support.

Ms Rachael Carr - Headteacher | Ms Rachel Davie - Executive Headteacher

Persistent absence and lateness will affect a child's achievement and progress in school.

Comprehensive research shows that there is a direct link between a child's level of school attendance and their level of school attainment.

Be on time at five to nine!

EYFS Fire Fighters

To support this half term's topic of 'transport', EYFS took a trip to a local fire station. There, they learnt about the role of a fire fighter and even got the chance to have a hands-on experience of the job by sitting in the seat of a fire engine and using a fire hose. Thank you to the Stoke Newington Fire Station staff for providing this experience.

Southwold Parents Presentation

During Work and Enterprise Week, Year 2 had a visit from Southwold parents to learn about their fascinating jobs. They learnt about the process of designing, creating and photographing 3D models, and got a close-up look of one they brought along. The children said it was their favourite part of the week.

Picasso Paintings

Year 6 have been studying the life and work of Spanish artist, Picasso. They have learnt about his 'Blue Period' where he painted in different shades of blue to represent his mood during that time in his life. They then had a go at creating their own wonderful portraits inspired by this time in Picasso's career.

Robots and Algorithms

This week Year 1 have been learning about algorithms in ICT. Using the 'Bee-Bot' floor robot and app, they have been able to create a sequence of instructions (an algorithm) in order to navigate different types of maps.

Enterprise Awards

Whilst Year 6 won the overall Enterprise Cup for achieving the highest profit margins during the Work and Enterprise Fayre, Year 3 won the Innovation Award for their recipe books, and Year 5 Mallard won the Marketing Award for their promotion and advertising campaign.

Key Dates

SPRING TERM 2023

Friday 31st March 2023 (SCHOOL CLOSING at 2pm)

Coffee Mornings

Parents/Carers are invited to drop into our sessions on various themes which are held in the Raven Room at 9:15am on a Friday morning. These are an opportunity to meet with other parents as well as learn more about what the school does and get some practical tips on how to support your child with their learning from home.

Date	Focus
Friday 24th February	<u>Family team building</u> : What games can I play at home to develop resilience and confidence?
Friday 3rd March	<u>Children's Mental Health Week</u> : How can I support my child's wellbeing through developing positive connections.
Friday 10th March	<u>Science</u> : How can I support my child's science learning at home? (<u>Children can attend</u>).
Friday 17th March	<u>Belonging</u> : How can I ensure I tackle unconscious bias in myself and others?
Friday 24th March	<u>Easter Holiday Activities</u> : What activities can we try in the holidays and what local places can we visit?
Friday 31st March	Parent Coffee Morning & Reading Celebration Event for lower school. (<u>Children can attend</u>).
EYFS Parent/Carer Workshops	
Date	Focus
Thursday 9th March	<u>Writing</u> : How can I support my child to write for different purposes?

Attendance

Children have only 190 school days in a year so coming to school every day makes a real difference!

The whole school attendance for the last week was 93.2%.

Well done to Year 5 Mallard, the weekly winner with 98.8%.
