

Naughty - Matilda

Jack and Jill, went up the hill
To fetch a pail of water, so they say
Their subsequent fall was inevitable
They never stood a chance,
they were written that way
Innocent victims of their story

Like Romeo and Juliet
T'was written in the stars
before they even met
That love and fate, and a touch of stupidity
Would rob them of their hope of living happily
The endings are often a little bit gory
I wonder why they didn't just
change their story?
We're told we have to do what we're
told but surely
Sometimes you have to be
a little bit naughty.

Just because you find that life's not fair it
Doesn't mean that you just have to grin and
bear it
If you always take it on the chin and wear it
Nothing will change

Even if you're little, you can do a lot, you
Mustn't let a little thing like, 'little' stop you
If you sit around and let them get on top,
You might as well be saying
You think that it's okay - And that's not right!
Cinderella, in the cellar,
Didn't have to do much as far as I could tell.
Her Godmother was two-thirds fairy,
Suddenly her lot was a lot less scary,
But what if you haven't got a fairy to fix it?
Sometimes you have to make a little bit of
mischief

Just because you find that life's not fair it
Doesn't mean that you just have to grin and
bear it
If you always take it on the chin and wear it
Nothing will change.

Even if you're little, you can do a lot, you
Mustn't let a little thing like, 'little' stop you
If you sit around and let them get on top, you
might as well be saying
You think that it's okay
And that's not right!
And if it's not right!
You have to put it right
In the slip of a bolt, there's a tiny revolt.
The seeds of a war in the creak of a
floorboard.
A storm can begin, with the flap of a wing.
The tiniest mite packs the mightiest sting!

Every day starts with the tick of a clock.

All escapes start with the click of a lock!

If you're stuck in your story and want to get out

You don't have to cry, you don't have to shout!

Cause if you're little you can do a lot, you

Mustn't let a little thing like, 'little' stop you

If you sit around and let them get on top, you

Won't change a thing!

Just because you find that life's not fair it

Doesn't mean that you just have to grin and bear it!

If you always take it on the chin and wear it

You might as well be saying

You think that it's okay

And that's not right!

And if its not right!

You have to put it right!

But nobody else is gonna put it right for me

nobody but me is gonna change my story

sometimes you have to be a little bit naughty!
