I would like to support the younger children with making the right choices. 	
Feedback from class council	<p style="text-align: center;">Sing-a-long</p> <p>How was your sing along? Year 3: Our class enjoyed the sing along. We felt confident with the songs because we had lots of practise time. Year 5: The new lights in the hall were great – it made me feel like I was in a stage show. Year 6: Counting down to Christmas was the best song because it was catchy but also challenging to learn. Year 4: Our class enjoyed Feliz Navidad because all of the children in Southwold know the song and it relates to our Spanish learning.</p> <p>How could the sing-alongs be improved for next year? Year 6: It would be good if we could choose the songs out of a selection. Year 4: We really liked the EYFS performance – it would be good if we could do something similar.</p> <p style="text-align: center;">Road Safety</p> <p>How do we cross roads safely? Year 3: When crossing the road, you need to make sure you look left and right to check there are no cars or bikes coming. Year 4: You need to make sure that you check your surroundings carefully and don't cross in between two parked cars. Year 5: You should always use a crossing such a pelican or zebra crossing. Make sure you don't wear headphones or are looking at your phone so you aren't distracted. Year 6: It is important to remind adults who you are with about road safety so that they are aware. Sometimes adults can rush, it's important to remind them to stay safe.</p>
