Agenda

Item	Discussion	Action
1 Follow up from last meeting	Litter picking KS2 – We now have litter pickers in our playground Let's Count Plastic Some Eco Team members are completing the investigation.	GT to continue to litter pick at playtime Eco Team to remind classmates to return completed tally chart on Monday
2 Potatoes	The eco team worked together to plant the seed potatoes. We planted Casablanca and 3 Shannon varieties. The Eco Team will take turns to come and water the potatoes. Why is it good to plant our own food? Yr1: I have grown tomatoes and they tasted better Yr4: They have less pesticides and can be healthier for you Yr6: They have no food miles	Ms Ani to make a schedule and contact eco team weekly to water the potatoes
3 Cross Site Meeting	Next week Yr6 will attend a cross site meeting. We spoke about what we have been doing and our ideas. Water: Yr1: We make sure our taps are turned off. Yr6: We can make posters. Healthy Living: Yr3: We went to a cooking class where we learned to cook a vegetarian meal Litter: Yr5: We have been litter picking at playtime Yr3: We went on a litter pick in the local area Yr2: We have been checking our recycling bins Yr4: We have been doing the plastic investigation Earth Day Yr6: Dress up in blue and green Yr4: We can make posters to remind people to look after the planet	
Next agenda	<ul style="list-style-type: none"> - Potato check in - Big School Clean - Feedback from cross-site
