Polling Station - Thursday 2nd May

Dear Parents / Carers,

As you may already be aware, the next Mayoral and London Assembly elections are taking place on **Thursday 2nd May 2024** and Southwold has been designated as a polling station.

I am pleased to inform you, as with recent years, Southwold will remain **open to pupils in Years 1 to 6**. However, the school will be **closed for pupils in Nursery and Reception** as this part of the school will be used as the polling station.

We appreciate that closing for elections to allow the school to be used as a polling station causes our families inconvenience however we are under obligation to do so and the decision is out of our control.

I would like to apologise for the inconvenience this will cause families of pupils in Nursery and Reception, but look forward to welcoming pupils from Years 1 to 6 to school on Thursday 2nd May.

Yours Sincerely,

Miss Rachael Carr
Headteacher
