Agenda

Item	Discussion	Action
Follow up from last meeting	<p>Let's Count Plastic The Yr6 team met with Ms Ani to count the results submitted from children across the school and enter them onto the Let's Count Plastic website. The results will be submitted MPs. All children that took part received a certificate.</p> <p>Yr6 - We counted all of the results one by one and then added them together with a calculator. We then put them on the website.</p>	
1	<p>Southwold celebrated Earth Day on 22nd April with Year 6 leading an assembly on saving water and launching our Saving Water poster competition.</p> <p>What did we learn from the assembly? Yr6 – Only 3% of the Earth's water is drinkable Yr3 – Showers save water Yr2 – Litter that we drop on the floor can end up in the sea Yr1 – Turtles sometimes think that plastic bags look like jellyfish and it makes them sick</p> <p>Ms Ani showed the children the water poster entries and the children voted for the winner. Thank you to everyone who took part! All children will receive a certificate.</p> <p>When selecting the winner, what should we look for? Yr6 – It needs to be bright and colourful Yr5 – It needs to be the right size Yr4 – We need to make sure there are no spelling mistakes</p> <p>Which poster did you vote for? Yr1 – I like this one because it has a good picture Yr2 – I like this one because it has good water saving tips Yr3 – I like this one because it is colourful</p>	Ms Ani to count the votes and select the winner
2	<p>Potatoes</p> <p>The potatoes are growing well in the EYFS playground and children are watering them.</p>	Ms Ani to continue to take children to water potatoes

		Why do we need to start watering them more regularly? Yr1 – Because the weather is hotter now	
3	Litter Pick	This term Yr6 and Yr3 went litter picking in the local area and collected 3 bags of rubbish Yr6 – We found nappies and empty boxes Yr3 – We found crisp packets and cigarettes	All Eco Team to continue to litter pick at playtime Next time Yr5 and Yr2 will litter pick.
