## **Warm Weather**

Dear Southwold Families,

As you may be aware, this week will see temperatures soar as high as 28°C in London. Due to this, we wanted to write to share how parents / carers can support the school during the hot weather:

- Send your child to school with a labelled bottle of water which they can freely drink from and refill during the day.
- Pack a sun hat or cap in your child's bag which they can wear at break and lunch times.
- Show your child how to apply sun cream. This can be brought into school for them to reapply themselves and will be stored in a cool area in the classroom.
- Please ensure all jumpers are clearly labelled with your child's name.
- Children are expected to wear full uniform, but children may want to wear smart charcoal grey shorts or a green/white checked dress. No sports shorts or sportswear please.

As always, we will be encouraging children to seek shelter from the sun during breaks, lunchtime, and at play in general.

We appreciate your support in ensuring that children stay safe and comfortable during the summer season. In the meantime, if you have any questions, please do not hesitate to contact the school office.

Yours sincerely,

Miss Rachael Carr  
Headteacher
