

Year 2

Summer Holiday Homework Pack

1. Complete your topic homework.
2. Learn your 2, 3, 4, 5, 6 and 10 times tables.
3. Test yourself! Can you read and spell any of the Year 3/4 spelling bank words?
4. Write a story linked to your topic next half term, or about something else entirely that takes your interest!
5. Read for at least 15 minutes every day.

Why don't you visit the library and take part in their summer reading challenge?

Topic Homework

Your topic in the Autumn term will be: Stone Age!

**This topic is all about the Stone Age and Rocks in Science*

Please research the topic using the internet or by going to your local library. You could create a presentation to share with your class or maybe write an information text. How about transforming an old shoe box or making a model?

Children whom return their research/models will get a certificate in achievement assembly in September.
